

PES DAY CELEBRATION

IEEE SB CETKR successfully completed the PES Day celebration on 18th April 2018. Celebration was initiated by a welcome speech by Mr Vishal Ravikumar (Treasurer IEEE SB CETkr). Paper presentations by active PES members were held on topics Power generation, transmission and distribution in Kerala and Power generation in India. It was followed by a discussion on the topic History of blackouts in India. A session on Power quality issues and mitigation, one of the trending topics in research field was also held to attract more students to the same. An interactive session was also hosted where faculties and members expressed their views and suggestions on improving the chapter activities. The event was wrapped after cake cutting.
